### Size

175-400watt: 16" square x 6.5" deep  
1000watt: 22" square x 9.25" deep

### Optics

Type III distribution (See Optics section for more info)

### Materials & Finish

Housings are made with die-cast seamless aluminum and painted with the Delta Guard finish, featuring an E-coat epoxy primer and a bronze acrylic powder topcoat. This assures you that the products you install today will look great in the future as well. We are so confident, we offer a 7-year finish warranty!

### Ballasts

All fixtures are standard with a high power factor ballast. The PR fixtures are supplied with a multi-volt ballast (120, 208, 240 and 277 volts). 480volt ballast is an option.

### Labels

UL Listed in U.S. and Canada for wet locations

## Pole Advice

POLES - 1 head works with any pole. 2 heads must use concrete poles or the SS525 steel pole. 3 or more must use a concrete pole.
