Portable Generators for use with our Plug N Play System

While we don't sell portable generators we can recommend a few units from these dealers.

Best Value

**15kw
GAS**

Large enough for most AC units. Good for 2-3 years. Available at Home Depot for \$1999 delivered. Guardian Model 04582

Premium Model

**13kw
GAS**

Kohler genset that will last for years. Available at Northern Tool for \$3450. Nortstar Model 165925

Best Efficiency Diesel

**13kw
DIESEL**

Industrial/Pro Grade generator that runs super efficiently with Diesel. Available at GeneratorJoe for \$5400. Model LR130EL

Trailer Mount

**21kw
DIESEL**

Kubota Diesel with tank and trailer. Free Storage from Wesworth.* Available at GeneratorSales.com for \$10,950. Model 05587

Bi Fuel Unit

**15kw
PROPANE
GAS**

Value generator that has been converted to run on Propane/LP. While it costs more to run, its safer and easier to refill. Model 04336 for \$2930.
