# SOLUTIONS

A quality entry-level product for panel wide protection!

When space is a factor the built in Npanel type is a simple option. Available on SquareD, GE and Siemens Panels only

**COMPLETE TOTAL PROTECTION** for your electric, phone, and cable. The 300 series suppressor integrates good TVSS suppression with built-in protection for your phone and tv systems in 1 unit!

**PROFESSIONAL GRADE** protection for your home. These 100kA units from Joslyn use the same technology found on their spec grade units for cities and businesses. Ideal for larger homes

**BASIC**

**NPANEL**

**COMPLETE**

**PRO**

**PROTECT YOUR WHOLE HOUSE WITH A PANEL SUPPRESSOR FROM WESWORTH!**
